Revision History

Below tables gives the revision information of the guide:

Revision	Date	Description
A	January 2023	Sample game document.

Introduction

The Lost Lands is a series of fantasy-world adventure games with lots of hidden objectives, mini-games, and puzzles to solve. In all eight versions of the game, you are Susan a young mother who is destined to travel between two worlds to save it from destruction.

Different Versions of the Game

Below are the list of Lost Lands series:

1. Lost Lands Dark Overlord
2. Lost Lands the Four Horsemen
3. Lost Lands the Golden Curse
4. Lost Lands the Wanderer
5. Lost Lands Ice Spell
6. Lost Lands Mistakes of the Past
7. Lost Lands Redemption
8. Lost Lands Sand Captivity

Installation

Follow the below steps to install Lost Lands in an Android device:

1. Open **Play Store**.
2. Enter **Lost Lands** in the search bar.

A list of Lost Lands games is displayed.

3. Click any one of the game

Tip: It is recommended to play the game in the order of release version.

4. Click **Install**.
5. Click **Open** or search for the game in the list of installed applications.

Game Interface

Below is the interface of one of the Lost Land games:

Attention: The interface of the game can slightly vary according to the version you are playing. The below information covers default options available throughout the series.

1. **Play:** Click play to display two game sections.
 - a. **Main game:** Click **OK** under the main game section to start the main story of the game.
 - b. **Bonus Chapter:** Click **OK** under the bonus chapter section to start the back-end story of the game. This chapter is unlocked only after completing the main game.
- Note:** Click **Start Over** to start the game from the beginning.
2. **Option:** Click option to update the below game settings:
 - a. Music
 - b. Environment

- c. Sound effects
- d. Voice over
- e. Change language

3. **Extras:** Displays the below list of features you can access after completing the game:

- a. Videos
- b. Mini Games
- c. Puzzles
- d. Achievements
- e. Bonus Game
- f. Collections

Tip: Click **Hint** in the right bottom corner of the screen to display where you should go next or what move should be made next.
